ABES BUSINESS SCHOOL, GHAZIABAD

Message of Director

Prof. (Dr.) Ajay Singh

Director, ABES Business School

👉 Welcome to ABES Business School!

At a time when there are significant changes taking place in the ecosystem of the business world, ABES Business School is living up to the rich legacy of ABES Engineering College by taking the responsibility of transforming young minds into efficient managers and ethical leaders who can take up the challenges of the technologically driven business environment.

At ABES Business School, we are committed and strive to sharpen the managerial skills and enhance the knowledge base of our students along with providing them with an opportunity to develop their leadership and decision-making capabilities, analytical thinking skills and creative acumen. The MBA curriculum is rigorous consisting of a balanced blend of theory and experiential learning. The innovative pedagogy adopted by faculty members engages students in various co-curricular and extra-curricular activities to ensure their holistic development. The corporate interactions expose and acclimatize students to the corporate culture and make them future-ready to manage transforming businesses.

We endeavour to instil among students the professional ethics and human values so that they become responsible leaders and human beings making an impact on the society. To quote Herb Kelleher (Founder Southwest Airlines), "Power should be left for weightlifting and boats, and leadership really involves responsibility".

On behalf of ABES Business School, I extend a warm invitation to potential students and other stakeholders to visit our campus and feel the vibrance of the transformation process-taking place.

Let's work together in the pursuit of excellence.

"The future depends on what we do in the present." – Mahatma Gandhi
